December 20, 2017

Pittsburgh, PA – On December 6, 2017, the Master Builders' Association Young Constructors (YC) hosted their eleventh annual holiday event at Buckhead's Saloon in Station Square. The event brought together more than 200 construction and design professionals and collected toys for The Marine Toys For Tots Foundation. The event also raised money for the Mario Lemieux Foundation's Austin's Playroom Project.

This morning, the YC delivered toys to the Austin's Playroom at Washington Hospital and presented the Mario Lemieux Foundation with a check for \$5,000. Thank you to the sponsors and everyone who attended the YC annual holiday event for generously supporting these two great organizations.
