ABOUT ACE MENTOR PROGRAM

ACE Mission: Our mission is to engage, excite and enlighten high school students to pursue careers in architecture, engineering, and construction through mentoring and to support their continued advancement in the industry.

The ACE Mentor Program was founded in 1995 by the principals of leading design and construction firms. Its mission is to engage, excite and enlighten high school students to careers in the integrated construction industry through mentoring; and, provide a means for their continued advancement in the industry through scholarships and grants. ACE currently has 61 affiliates operating in 32 states, the District of Columbia, and Puerto Rico. In 200 cities and communities, approximately 2,900 mentors engage more than 8,000 students who attend 1,000 schools. Seventy percent (70%) of ACE students are minorities, and almost 40% young women. Since its start in 1994, ACE has awarded \$12.5 million in scholarships.
