

WEST VIEW WATER DEPARTMENT

210 Perry Highway
Pittsburgh PA 15229

412-931-3292 FAX: 412-931-2005

All applicants for water service shall pay a service line connection fee when submitting an application for service to a premise not having a service line connection. The following service line connection charges, subject to periodic adjustment, are in effect:

<u>Size of Service Line</u>	<u>Service Connection Charge</u>
1"	\$1,800.00

In the event the actual cost of installing the service line is greater than the minimum fee, the applicant will be required to pay the actual cost, plus any permit, restoration, right-of-way and/or other such fees and costs.

TOTAL SYSTEM SCHEDULE OF RATES

Customer Charges – cover customer costs associated with water availability, service and/or demand imposed on the system.

<u>Meter Size</u>	<u>Monthly</u>	<u>Quarterly</u>
5/8"	\$6.49	\$19.47
3/4"	7.43	22.29
1"	9.35	28.05
1 1/4"	14.13	42.39
1 1/2"	14.13	42.39
2"	19.74	59.22
3"	32.88	98.64
4"	51.73	155.19
6"	98.69	296.07
8"	157.90	473.70
10"	229.32	687.96

Volumetric Charges – Based on customer group water usage. The following rates shall apply to all customers:

	<u>Per Quarter</u>	<u>Per 1,000 Gallons</u>
First	45,000 gals.	\$4.19
Next	855,000 gals.	3.65
All Over	900,000 gals.	2.96

Public Fire Protection – Hydrants

Public Fire Hydrants - \$223.08/hydrant annually.

Private Fire Protection Facilities

Private Fire Hydrants - \$178.56 annually.

The following charges shall apply for all private fire protection facilities, payable quarterly.

<u>Fire Line Size</u>	<u>Annual Charge</u>
2"	\$82.80
3"	189.24
4"	332.64
6"	755.88
8"	1,345.56
10"	2,101.44
12"	3,023.64
16"	5,374.92

The premises, if furnished with general water service, in addition to private fire protection service as outlined above, the customer will also be billed for general metered service, in accordance with the Schedule of Rates for Metered Service.

If the sole connection to a private line is one or more fire hydrants and no other fire protection devices, the charges shall be that stated above for fire hydrants. The premises, if furnished general water service in addition to private fire protection service, will be billed also for general metered water service, in accordance with the Schedule of Rates for Metered Service.

Tapping fees – The Authority has established schedules of tapping fees for connections to main water lines, said tapping fees being in addition to the service line connection fees. The tapping fees will vary, being subject to the location of the main line, to a connection on a main line installed by

the Authority and/or others under reimbursement agreements, to main lines installed under assessment agreements and to other special conditions.
